

Panama City DO or DIVE!

April 20 - 23, 2017

Here's your chance to go boating diving in the Gulf of Mexico! Led by Staff Instructor Matt Scroggins, you will go out daily from Panama City, Florida on 3 boat trips and return in the late afternoon to your condo accommodations near the beach. There are wrecks, limestone reefs and bridge spans to explore and plenty of grouper and flounder around. You may also see a toadfish and the occasional sea turtle.

This trip is for certified divers only. All dives are on Enriched Air (Nitrox) and all divers must use computers.

The 3-tank boat trips include a tasty box lunch since you will be on and in the water most of the day. The boats are spacious and covered for shade.

Accommodations are two bedroom condos across from the beach in Panama City. The Master Suite includes a King bed and private bathroom. The other bedroom has two Queen beds with a shared bathroom. Condos are a great way to share your day's experiences with your fellow dive buddies.

You'll enjoy a group dinner one night at Schooners on the Beach, with shared appetizer, entrée, and non-alcoholic beverage. This is always a fun gathering!

Trip Cost:

- \$955 Master Suite Accommodations, per person based on double occupancy. Must book at same time as room share buddy.
